EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joseph M. Gorski on January 9, 2006.

The application has been amended as follows:

- 1) In the first line of claim 37, "8" has been changed to --36--.
- 2) In the last line of claim 39, the term --item-- has been inserted after "footwear".
- 3) In the first line of claim 40, "1" has been changed to --19--.

2. The following is an examiner's statement of reasons for allowance: In the prior Office action filed August 17, 2005, it was indicated that the primary reference used in rejecting Applicants' claims has a common inventor with the instant application. Since Applicants' submission of declarations under 37 CFR 1.132 is considered to overcome fully all prior art rejections contained in the prior Office action and an updated search of the prior art did not yield any other references pertinent to Applicants' claims, it is considered that the application is currently in full and proper condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert G. Santos whose telephone number is (571) 272-7048. The examiner can normally be reached on Tues-Fr and first Mondays, 10:30 a.m. to 8:00 p.m..

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Lee can be reached on (571) 272-7044. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
